

Embrace AfterSchool

Be among the first to purchase this beautiful bracelet

We show our commitment to afterschool in everything we do.

Now we can show it with pride in everything we wear!

Each multifaceted crystal symbolizes the shining spirit reflected in those we nurture and protect.

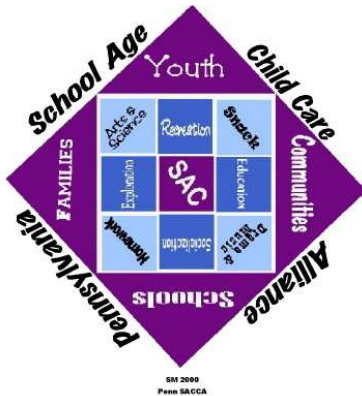

The tiny clock reminds us to cherish our moments together, as they are but only passing.

The back of each clock charm has "NAA" and "PENN SACCA" emblazoned on it.

The silver heart reveals what it is we share during our brief journey, knowing its influence will forever shape who we are ...and who they...will ultimately become.
