

Pennsylvania School Age Child Care Alliance

MEMBERSHIP DRIVE 2011

Dear **Penn SACCA** Members & Friends,

Since 1994, **Penn SACCA** has been supporting school age professionals and the important work they do to benefit the school age and youth population throughout Pennsylvania. As the state affiliate to the **National AfterSchool Association (NAA)** our focus also reaches beyond families and children in our state to the national stage where the importance of quality school age programs and support for the individuals who work in the profession is of vital importance. Together, we have successfully channeled our efforts to help elevate the local, state and national dialogue about the unique role which out-of-school time and school age care plays in our communities and throughout our nation.

To meet the needs of our membership in these changing times, **Penn SACCA** has grown and changed, striving to meet the demands of a more interactive and accessible member organization. There is much more to come in the months and years ahead, as we continue working to deliver the opportunities and tools that you tell us benefit you and your work.

If you are already a supporter of **Penn SACCA**, thank you! Your support and active participation plus your investment in the school age field is what makes **Penn SACCA** possible.

Not yet a member? We invite you to join now.

When joining **Penn SACCA**, full and associate categories provide dual membership in the **NAA**. Membership in the national organization includes access to the newly updated **NAA** website, a subscription to AfterSchool Today - **NAA** 's resourceful quarterly magazine, **NAA** E-News the bi-weekly e-newsletter, access to comprehensive insurance benefits, **NAA** Member Helpline, discounts at the online store containing afterschool products, **NAA** publications and afterschool resources plus discounted registration for the **NAA** Annual Convention. Full members also receive a discounted registration option for **Penn SACCA**'s annual statewide school age conference.

With each membership, everyone in the community benefits. There are more professionals to collaborate with, more to network with, and more opportunities to share resources and information.

New membership pricing for 2011

Membership Year runs January – December 2011

FULL Membership \$70

ASSOCIATE Membership \$35

NEW this year: ORGANIZATIONAL Membership for three (3) **FULL** members is \$195.

For four (4) or more **FULL** or **ASSOCIATE** memberships registered ***at the same time from the same organization*** there is a \$5 discount per member.
